19479 25X1

Country - China

Subject - Veterinary Schools

This unevaluated information for US Officials

Only is supplied for the possible interest of 25X1

1. [redacted] in 1947, there were only about four or five  
strictly veterinary schools namely -

25X1

25X1

National University -	Kwangsi
Central University -	Nanking
Canton University -	Canton
Northwest University -	Langchow
Szechwan University -	Chengtu

Other schools were combined with animal husbandry. Some of these are

Chekung (Provincial University) - Hangchow  
Kingsi State (like a Provincial University) - Nanchong  
St. John's University - Shanghai

2. The course in veterinary medicine is an intensive 5-year course and although  
the degree received is only a B.S. [redacted] 25X1

[redacted] Not too much research as such was done at the universities except  
to a small degree by the senior students. However, [redacted]  
thesis is required of each senior before graduation.
